TAKEAWAYS

- Make sure that your passport is valid...and that you know where it is!
- We highly recommend that guests arrive in Vancouver the day before embarkation to alleviate stress from any potential travel delays or issues. Vancouver is a larger metropolitan area than our standard embark cities, which may mean higher price points for accommodations, so securing a hotel reservation as soon as possible is strongly encouraged.
- Complete Online Check-In as soon as that service is activated.
- Complete as many purchases and reservations as you can BEFORE boarding the ship.
- Be alert to our announcement of the Performance Schedule. Pre-Planning your show schedule is important.
- Be sure to allow for extra time to reach the Cruise Terminal and arrive during selected time slot.
- Except for one night, the cruise is casual in terms of attire. Be comfortable and remember to bring layers for cooler evenings.
- Your choice of clothing should reflect the fact that irons and steamers are not allowed on the ship and dry cleaning is expensive and takes time.
- If you plan on dining with a particular group of guests, be sure to properly submit your Group Dining information.
- Try as hard as you can to leave your work, your obligations, and your worries at home.
- Be sure to pack your smile, your love of music, and, most of all, your humanity.
